NATIONAL PHOTOGRAPHIC INTERPRETATION CENTER

PRELIMINARY SITUATION REPORT NO 14

Five BRASS KNOB missions were flown [REDACTED] However, coverage of significant items on those missions received was severely limited by adverse weather conditions. In addition, poor image quality and obliquity have further hindered interpretation of those items which were covered.

As of 0500 hours the only significant item to report is Holguin Airfield, where the count of BEAGLE fuselage crates remains at 9. There is no evidence of uncrating of the fuselages.

The following is the status of the PI readout on Missions flown [REDACTED] as of 0500 hours:
